

# OMAR FARUK

Web Developer · Digital Marketer · AI / Computer Vision Researcher

Dhaka, Bangladesh | umor2026@gmail.com | +880 1705-182933 | github.com/Omaar-X | omaar-x.github.io

## PROFESSIONAL SUMMARY

Computer Science & Engineering graduate working across web development, digital marketing, business systems and applied AI research. Experience includes commercial websites, travel operations, internal workflow tools and computer-vision research in brain MRI classification and segmentation. Currently Web Developer & Digital Marketer at Midtown Aabashon Ltd.

## EXPERIENCE

### Web Developer & Digital Marketer

Current

Midtown Aabashon Ltd. · midtownaabashonltd.com

- Website development and digital presence for the company.
- Digital marketing and brand-focused online execution.
- Content and online communication support.

### Travel Operations & Ticketing Assistant

March 2026 – August 2026

Trip Fly BD · Dhaka, Bangladesh

- Issued and managed domestic and international air tickets using Sabre GDS.
- Managed booking changes, reservation queries and travel documentation.
- Built and maintained website sections and landing pages (HTML, CSS, JavaScript).
- Developed the Smart Attendance System for the team's internal attendance workflow, replacing a paper register.

## SELECTED PROJECTS

### TRM Holidays · Live · Travel technology / business website

trmholidays.com

Travel agency website with tabbed flight, hotel and tour-package search, a domestic and international tour catalogue, a responsive layout and SEO foundations.

### Smart Attendance System · Live · Internal tool for Trip Fly BD

Live app

Browser-based attendance system: rotating QR check-in, GPS verification, admin and employee panels, and a Google Sheets back end through Google Apps Script.

### FMZ Trading · Launching soon · Corporate / business website (staging build)

Staging build

Website for FM Trading F.Z.E, an interior solutions business in Ajman, UAE, with service pages, a project gallery and downloadable product catalogues.

### Rover Consultancy · Live · Travel & visa services website

roverconsultancy.com

Website for a Dhaka travel consultancy covering visa services by destination, air tickets, hotel booking and tour packages, with schema.org structured data.

## RESEARCH & PUBLICATIONS

### TumorMultiNet: brain MRI classification and segmentation

2026

Group capstone thesis, B.Sc. CSE, BUBT

- Hybrid brain MRI classification and segmentation framework with Grad-CAM explainability.
- Final models: EfficientNet-B0 + DenseNet121 (classification), SegFormer + DeepLabV3+ (segmentation), Grad-CAM (explainability).

### TumorMultiNet: A Statistically Validated Hybrid Deep Learning Framework for Brain Tumor MRI Classification and Segmentation on BRISC2025 with Explainable AI

Accepted · IEEE

### Smart First Aid Box

Submitted · ICCIT
